

Imagine the skyline without the silver ball?

[dropcap style="font-size: 60px; color: #A02F2F;"] A [dropcap]bove is a small tribute to the hard-working team behind the [Save the Silver Ball and Fletcher Jones Gardens campaign](#) who, today (8/5), have seen a reward for their efforts.

The purchase of the former Fletcher Jones Factory by businessman **Dean Montgomery** – a member of the Save the Silver Ball Facebook page – has provided hope that the ball will be preserved. Dean is a believer that history should be treasured and he has already shown that he is a man of action, not just words, by upgrading the Leura Hotel in Camperdown.

Today is the first step in what we hope is a new chapter in the life of the iconic ball.

Just imagine what the skyline would be like without it?
