

Blue Tunes #3

If you have been following this section, you will know that given we are called Bluestone, we thought it only fitting that each week we dig out a track that has the word 'blue' in its lyrics or title.

What better way to start the working week than with some music?

So click play and let the voice of the late, great **Etta James** ease you into the week.

(We have chosen this version to save you having to watch the Youtube ads)
